

COMMONWEALTH OF KENTUCKY  
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

THE APPLICATION OF WEST MCCrackEN	)	
COUNTY WATER DISTRICT FOR AN	)	
ADJUSTMENT OF CERTAIN NON-RECURRING	)	CASE NO. 93-171
CHARGES	)	

O R D E R

On May 7, 1993, the Commission received an application from the West McCracken County Water District ("West McCracken") wherein it proposes to adjust its rates for certain non-recurring charges. On May 28, 1993, West McCracken filed a letter, which the Commission will treat as a motion, requesting a deviation from the requirements of 807 KAR 5:011, Section 10(2).

807 KAR 5:011, Section 10(2), requires that if the additional revenue to be generated from the proposed tariff revisions exceeds by 5 percent the total revenues provided by all miscellaneous and non-recurring charges for a recent 12-month period, the utility must file an absorption test showing that the additional net income generated by the tariff filing will not result in an increase in the rate of return to a level greater than that allowed in the most recent rate case. Having reviewed the filing and being otherwise sufficiently advised, the Commission finds that the information filed therein is sufficient to enable the Commission to adequately review West McCracken's filing. Therefore, its request for a deviation from the above-cited regulation should be granted.

IT IS THEREFORE ORDERED that West McCracken's request for a deviation from the requirements of 807 KAR 5:011, Section 10(2), is hereby granted.

Done at Frankfort, Kentucky, this 4th day of June, 1993.
